18. [] BRIEFING Accompanied Hans Binnendijk, Senate Foreign Relations Committee staff, and Bert H. Cooper, Congressional Research Staff of the Library of Congress, to a briefing in NFAC/CSS office. [] NFAC/CSS, has written a memorandum on this briefing on the air balance in the Middle East. There were no outstanding questions and Mr. Binnendijk fully understood the caveats on his use of any CIA information, either classified or unclassified.

19. [] BRIEFING Accompanied Representative Paul Simon (D., Ill.) and [] CIA Congressional Fellow, to a briefing in the OLC Conference Room at 1100 hours. The briefing was conducted by [] ORPA/International Issues Staff, and some of his staff. I accompanied them to the DCI dining room where they had lunch with Mr. Blake, A/DDCI, and others.

20. [] ADMINISTRATIVE - DELIVERIES Hand carried two copies of the SNIE Prospects for Further Proliferation of Nuclear Weapons to Mr. Peter Almquist, in the office of Representative Jim Lloyd (D., Calif.). I told Mr. Almquist that this document's release was a mistake and asked him to please treat it circumspectly and not talk about it freely. He seemed to understand and stated that he appreciated our sensitivity.

21. [] BRIEFING Visited Bill Hogan, Counsel on the House Armed Services staff, in response to his question to George Cary, OLC, on CIA's position with regard to the proposed sale of Allison engines to Poland and Rumania. Based on [] NFAC/CSS, briefing to me on the issue, I explained to Mr. Hogan CIA's advisory role in the sale of tactical weapons as well as some of the background on the Allison engine. I also explained that the Poles and Rumanians were trying to buy the technology as well as the engines themselves and that this gave us cause for concern, particularly since the engine could be used in cruise missiles. Mr. Hogan was very appreciative and had no additional questions.

22. *user* LIAISON Tom Smeeton, on the staff of the Senate Foreign Relations Committee, was referred to me by OLC. Mr. Smeeton said that the Committee staff is preparing a paper on Rhodesia and has made some statements about the Marxist and/or radical Marxist support currently being given to guerrilla forces in Rhodesia. He wanted to know if this characterization was accurate. After checking with NFAC/CSS, who referred me to Bob Adrus, ORPA/ Africa, I informed Mr. Smeeton that his characterization was accurate in that the support the guerrilla forces were receiving was a curious mix of Cuban, Soviet and Chinese. This satisfied Mr. Smeeton's needs.

23. BRIEFING Based on referral from OLC, I called Dorothy Fosdick, in the office of Senator Henry M. Jackson (D., Wash.), to make sure that I had a full grip on her briefing needs. She told me that she had already discussed this with us, but I persuaded her to repeat it for me. By way of preparing Senator Jackson for his trip to the People's Republic of China, he wants a briefing on the Cambodia-Vietnamese border situation, the Horn of Africa, and PRC and Soviet involvement in both. This has been set for 1400 hours on 7 February 1978 in 135 Russell Senate Office Building. I have reconfirmed this requirement with NFAC/CSS.

24. BRIEFING Received a call from Linda, Senate Foreign Relations Committee staff, who asked what would be the level of classification for the briefing of the Committee on 10 February on foreign military presence in Africa. After checking with NFAC/CSS, I called Linda back and told her that the briefing would be at the compartmented level.

Miller said Ambassador Carlucci's nomination report had just been cleared and there is every indication that the nomination will be acted upon Friday.

6. [] LIAISON John McMahon, DDO, advised of his conversation with Tom Latimer, Staff Director, House Permanent Select Committee on Intelligence, of providing the Horn of Africa briefing involving the military situation, Soviet and Chinese roles, and any covert action activities at the next bi-weekly briefing of the Committee. (Representative Wyche Fowler (D., Ga.) is the member who is principally interested in this topic.) This takes the form of one of the suggestions I made to Mr. Latimer when we first discussed this topic on Tuesday.

[] C/CAG/DDO, will accompany the NFAC briefers to cover the covert action portion. [] will set a date for the session via Jeannie McNally, secretary to Mr. Latimer.

7. [] will set this up with NFAC/CSS.

8. [] LIAISON Talked to [] former STAT Legislative Counsel and now with DOD, and he was referred to [] DIA, for controlled access to the Director's statement on the strategic threat which was transmitted to [] yesterday.

[] No further action is required.
